

Safari Squad

A memorable day at the zoo! You will be transformed into a white polar bear, a blue butterfly, an orange monkey or a purple fish. Can you find all of your friends before the park closes?

Preparation

- ✕ At least 6 players are needed to play this game.
 - For young children: Place large white, blue, orange, and purple sheets around the area so children have a visible place to gather.

Rules of the game

- ✕ You earn points for finding all of your companions and grouping them together.
 - Note: Only the same type of animals are allowed close together. So make sure there is enough space between the different groups of animals!
- ✕ At the start of the game, your controller will flash and automatically count down.
- ✕ Then your controller will show your color: white, blue, orange, or purple.

- ✗ Quickly look for the other players with the same color!
- ✗ Have all the players formed the correct groups before the end of the round? Then you get a point.
- ✗ Didn't manage to form the groups in time? Then you don't get a point.
- ✗ A new round starts with new colors.

End of the game

- ✗ The game ends when 12 rounds have been played. Players must earn at least 8 points to win the game.
