Getting Started

- ✖ Decide which times table(s) to practice. Collect the question and answer cards for those tables from the Math Mania set.
- ✖ Stack the question cards face down.
- ✖ Scatter the answer cards across the playing area.
- ✖ Begin the game.

Rules of the game

- ✖ Grab a question card from the stack and scan it.
- ✖ Find and scan the answer card that goes with the question card.
- ✖ If you get it right, your controller will turn green. Go on to a new question.
- ✖ If you get it wrong, your controller will turn red. Keep looking for the right answer!
 - Tip: If you're stuck, try a different question card.

You can scan a new question card anytime.

- ✕ Keep playing until you've used all the question cards.

End of the game

- ✕ You can stop playing whenever you want by turning off your controller or scanning the game card again.
