How to Play

- ✖ When the game starts, you'll automatically be on one of two teams.
- ✖ One team is the Snowstorms. Your Picoo controller will be white.
- ✖ The other team is the Suns. Your controller will be yellow.
- ✖ If a Snowstorm gets close to a Sun, the Sun turns into a frozen ice block. Your controller will turn blue.
- ✖ If you're an ice block, you have to stand super still.
- ✖ A Sun can unfreeze an ice block by tapping it.
 - Heads up! If you turn into an ice block, you have to wait for a little while in a time-out. During this time-out, a Sun can't unfreeze you yet.

- ✕ Do the Snowstorms freeze all the Suns before time runs out? Then the Snowstorms win!
- ✕ Are there still Suns left when the game ends? Then the Suns and ice blocks win!
