

Lightning Bolt

One player gets “the lightning” which can be taken away by other players. Do you have the lightning at the end of the game? Then you win!

Rules of the game

- ✖ 1 player is given the ‘bolt of lightning’.
- ✖ This Picoo controller now starts to vibrate and emits red light.
- ✖ The goal is to have the bolt of lightning at the end of the game.
- ✖ You can steal the bolt of lightning by walking near the player who has the bolt of lightning.
- ✖ The bolt of lightning will then automatically jump to your Picoo controller.

Colors and interaction

Blue
regular player

Red
player with bolt of lightning
