How to Play

- ✖ Your controller will automatically sort you into one of two teams: Red or Blue.
- ✖ One person gets to be the spy, but it's a secret! Their controller will start buzzing.
- ✖ If you want to capture the spy, you have to tag the person whose controller is buzzing.
- ✖ If your controller starts buzzing, that means you're the spy now!

End of the game

- ✖ The team that keeps the spy the longest wins the game.
