

Water and Fire

Water and Fire battle for territory. Water extinguishes fire and turns it into water. But if the wind changes, the roles reverse, and fire can evaporate water and turn it into fire! Who will remain at the end: water or fire?

How to Play

- ✕ Your controller will automatically sort you into one of two teams: red or blue.
- ✕ Each team gets to be the taggers.
- ✕ Your Picoo controller will tell you when it's your team's turn to tag by buzzing.
- ✕ When your controller stops buzzing, it's the other team's turn to tag.
- ✕ If you get tagged, you switch teams!

End of the game

- ✕ When everyone is the same color, the game is over.
