

Little Locksmith

Can you crack the safe's code? Guess the color code so the mouse can grab the cheese.

Smart-sleeves

Getting Started

- ✖ Set out the Smartsleeves with the colors red, green, blue, and yellow.
- ✖ The numbers on the sleeves do not matter for this game.

How to Play

- ✖ The goal is to crack the safe. Guess the right color code to help the mouse get the cheese. The code is four colors in the right order.
- ✖ Scan four cards with your Picoo controller.
- ✖ Use each color only once.
- ✖ Remember the colors you scanned!
- ✖ Your controller will show you when you have scanned four colors.
- ✖ Then, your controller will tell you about each color.

- ✕ Is the whole code right? You win!
- ✕ Are some colors in the wrong spot? Try guessing a new order.

End of the game

- ✕ The game stops when you guess the whole code correctly.

Colors and interaction

-  *Purple*
you can guess a color
-  *Purple + vibrate + sound*
you scanned a card
-  *Red blinking + vibrate + sound*
oops! You already scanned that card
-  *White blinking + vibrate*
you scanned four colors
-  *Green + vibrate + sound*
this color is in the right spot!
-  *Orange + vibrate + sound*
this color is in the code, but in the wrong spot
-  *Green blinking + sound*
you cracked the code!
