

Wipe Out

Stay on your feet in this exciting Wipe Out obstacle race! Will you be the last one standing?

How to Play

- ✖ When the game starts, one person is automatically chosen to be the tagger.
- ✖ The tagger has to try and tag everyone else.
 - Please note: At the start, the tagger's Picoo controller will be blinking. This is a time-out, so the other players can run away and won't get tagged right away.
- ✖ If you get tagged, you're out of the game.
- ✖ When you get tagged, you can't play anymore and you must leave the play area.

End of the game
